

TRAINING AND DEVELOPMENT

2018

About Us

Chinara Enterprises Limited is pleased to launch its CPD programme for 2020-2021. We are hosting 2 hour webinars on a range of topics to support a wide range of professions.

We are able to offer these using a secure platform. We can also offer these as classroom based training *As of April 2020 face to face training is not being offered due to Covid-19 restriction. As and when this changes we will post an update on the website. We can also deliver these for employers, recruitment agencies as well as individuals on our open programme.

Service Demographic

Q: Who are our clients?

A: Individuals' who are diligently improving professional and personal knowledge and skills. Organisations who understand the importance in developing their workforce in order for sustainability and growth. Moreover, agencies want to provide their agency workers with training so they can continue to stay competitive when applying for work.
